File

We have analyzed the bids received on four, 4-wheel drive vehicles for the federal sewer projects. One was not acceptable because it did not meet the specifications of a 6 cylinder engine. Of the remaining three, we recommend that Jim Kelley Leasing, Inc. receive the award for the following reasons:

- A. Their lease bid of \$315 per month for each vehicle is the lowest of all bidders.
- B. Their delivery time of 6 to 8 weeks is much less than the other bidders.
- C. We asked for Ziebart rust proofing and the other two bidders indicated dealer rust proofing which is not acceptable.
- D. The bid of Jim Kelley Leasing includes the cost of the license plate, but it would be an additional cost on some of the other bids.

Jim Kelley Leasing was the highest bidder on the option to purchase at \$5,110 per vehicle. However, it is doubtful we would purchase more than 2 of these vehicles, if any at all. On that basis, Kelley is still the lowest over-all bidder.

We, therefore, recommend that a purchase order be issued to Jim Kelley Leasing, Inc. as soon as possible because these vehicles will be needed when the first federal project starts.
